(27) Response: Describe Abuse

your honor, I am responding to each of the points listed on the case filed against me. There was an ~~act~~ ^{dispute} on 01/25/17. I got home from work at about 7:00pm, I completed Evoni's (homework), put away laundry, and as he got home I was about to eat. He is OCD and began to sweep. I ~~was~~ ^{was} never told to pick up the trash from the ground but he began to curse at me and tell me to "shut up" as he has done so many times. I told him not to talk to me like that especially in front of his daughter. I went to the bedroom, removed myself from the situation because he has a very bad temper. He unlocked

The door and would not leave me alone. He was telling me I was not a true woman, that I was dumb for going to college and cursing at me. I did state that I would leave to stop the abuse but he took hid my car keys. He said I could not leave without the "house keys." He said he would call the cops if I did not give him the house keys. At that point he unlocked the car ~~and~~ called the cops. The officers at the scene told him that he had to give me my car keys and house keys. I am not an aggressive ~~or~~ ^{nor} have I harrassed him. I have not in been in contact w/ him since the night ~~my fire popped~~ ^{he invited me} to ~~his~~ our house after work on Thursday. He got upset w/ me b/c I did not want to have sex with him. I got some of my belongings not all. I re-mailed him on Sunday to arrange a day to pick up my belongings he did not respond. He then began to call my work over 15 times. I e-mailed him to only contact me via e-mail.

→ On Monday evening after he called my work over 15 times

I picked up the call he explained he went to counseling + he wanted to get back with me. He said he was sorry for all the pain he has caused me. I told him various times I could not stay in this cycle of abuse any longer. I told him I forgave him but he and I were not going to get back together. I also told him since we are both on the lease and he forcefully took my keys from my work I was entitled to get my belongings. He was upset I was going to pick up furniture that I purchased. Now since I told him I was going to the apt he has filed a petition against me that is false. He also w/o my consent put his daughter on the phone w/ me yesterday so we could get back together. I told him it is in our best interest not to involve court.

I have video + witnesses that Johnathan H. came to my workplace w/o advance notice + asked to speak to me. We went to the parking lot + I told him until I get my belongings - I want give back the keys. He went into

work - He will not stop calling my work + has gone to my work aggressively. He also had a rose + card delivered yesterday. I got texts from my work he wont stop calling.

Your honor, I have been in a cycle of violence with an individual that is controlling + manipulative. I have done everything I could to resolve it amicably. I have never shown up unannounced nor have I done anything against him. Out of respect for his daughter I have not escalated the case. I would like to have this not granted as I have not done ~~any~~ anything against him. This is a break up - difficult for the both of us. Thank you.
